Orientation Programme on 'Youth for Social Impact'

Government Degree College, Yerraguntla has conducted an Orientation Programme on 'Youth for Social Impact'. Dr. M. Ravi Kumar, Principal lead the session to motivate students towards community engagement and social responsibility. Faculty and students participated actively, gaining awareness about the role of youth in addressing social issues. The programme inspired students to contribute meaningfully to society through innovative ideas and collective action, marking a significant step toward positive social change.

An awareness programme on 'Gender Equality'

An awareness programme on 'Gender Equality' was organized at Government Degree College, Yerraguntla by the Women Empowerment Cell. Dr. C. Sree Vijaya Durga, the coordinator, led the session emphasizing the importance of gender equality in building an inclusive and progressive society. She highlighted issues related to discrimination and the need for equal opportunities for all genders. Faculty members K.R. Bhagavathi and B. Subbamma, along with students, actively participated in discussions and shared their views. The programme aimed to foster respect, awareness, and a sense of responsibility among students towards creating a gender-just environment.
